ORDER:

To ensure effective utilisation of Municipal Solid Waste, especially organic waste for more productive use, Department of Fertilisers, Government of India have communicated the policy of promotion of City Compost vide reference 1st read above, and according to the policy market development assistance in the form of financial support for an amount of Rs.1500/- per ton of City Compost will be released for scaling up the production and for consumption of the product.

2. Initially this compost marketing and production will be taken through Nagarjuna FCL in the State of A.P and in due course compost manufacturers and other marketing entities can be included by State Government for approval of Government of India. This mechanism is to ensure the feasibility and viability of plants those produces City Compost from organic component of Municipal Solid Waste.

3. Swachh Andhra Corporation (SAC), a Government of Andhra Pradesh incorporation vide reference 3rd read above, being Nodal Agency for implementation of Swachh Bharat Mission objectives in the State of Andhra Pradesh, has proposed for constitution of a Joint Committee with various State Departments towards monitoring the City compost production from Municipal Solid Waste and its marketing & Distribution through Fertiliser companies, as per the guidelines of Govt. of India. The proposed committee has to coordinate various stake holders in regard to marketing & Distribution of City Compost i.e., from producers to dealers for assessing and monitoring the production versus market demand of City Compost.

4. Under the circumstances explained above and in order to promote the production, marketing & distribution of city compost from municipal solid waste, Government after careful examination of the matter hereby constitute a Joint Committee with various Departments' Heads, as proposed by Managing Director, Swachha Andhra Corporation:-

PTO
